

MPC Worship Department

We exist to acknowledge God's greatness beyond music and song, bringing something before a Holy God that only He is worthy of; our worship.

We understand...

that worship belongs to God and nothing or no one else.

our roles as worship leaders is to exemplify our relationship with the Lord.

worship to be an everyday commitment requiring us to take up our cross to follow Him.

that worship praises the many Names of God.

worship requires humility and is to focus on God and less on me.

that God designed us to worship Him.

In corporate worship we desire to..

create an atmosphere fostering undistracted and authentic, whole-hearted worship to God.

stimulate authenticity and honesty with God, to worship Him in spirit and in truth.

encourage involvement.

create community among worshipers for a common cause - praising the Lord.

We expect our congregation...

to participate authentically, fully, and focused.

to grow in their relationship with God.

to be unafraid, to make a claim of their salvation.

We expect our team...

to be God-chasers on and off the stage.

to lift one another up to the Lord, be supportive, encouraging, and understanding.

to bring their "A-game" and do their best; to commit to excellence because of whom we serve.

to respect each other's commitment and practice at home before rehearsal.
